

Dockside Too

Tognazzini's Dockside (Restaurant) and Tognazzini's Dockside Too (Fish Market), are located on the Embarcadero in beautiful Morro Bay California. We are family owned and operated specializing in the highest quality local seafood available. Our facilities allow us to receive and process seafood directly from the boat, ensuring ultimate control and quality from the time of landing to the time it hits the plate. We offer a direct link between the fishermen and the consumer and can often let you know the name of the captain and the boat from which your meal came. In addition, we have an array of chefs whose skills and knowledge of perfect preparation blend seamlessly with our fine quality seafood. Finally, if that's not enough, breathtaking views, family oriented dining and festive atmosphere make dining at either Dockside establishment a truly memorable experience!
